## Announcing Your Chance to Support Your Sport!

Support the sport you love by joining the Sydney International Eventing (SIE) Supporters Program and receive some great benefits. Keen to ensure the future of Eventing in NSW, SIE is excited to announce a new initiative giving you the opportunity to support the sport you love and receive some great benefits by joining the SIE Supporters Program.

2010 marks the ten year anniversary of the Sydney Olympic Games. The Sydney International Equestrian Centre is one of the few venues around the world still in use after the Olympic equestrian events ended. During the past ten years improvements to the SIEC Olympic course have been implemented and riders of all levels continue to be thrilled at the chance to compete at the Olympic Venue.

By becoming a SIE Supporter you will be contributing to the longevity of Eventing in NSW.

The newly listed 2010 Eventing Elite Squad includes four home grown Olympians, all with an Olympic medal in their barns. These athletes rely on world class events being held in Australia in order to qualify for the chance to represent their country. This is your chance to help SIE continue to provide our Australian based riders with the world class competitions they need to prepare for the next ten years of Olympic Games.

There are two individual (Silver and Gold) and one Family Package available.

Each package includes free tickets for both the Weekend of Equestrian World Cups (7-9 May) and the Sydney International Three Day Event (26-29 August), discounts on additional tickets, 2 for the price of one cross country walks and discounts on DVDs and other selected items including clinics and master classes, as well as regular news updates.

Package details are available online at <http://www.sydneyeventing.org/WorldCup/supporter.html> and can be purchased online.
